

The Yearly Board Competition

The yearly board competition is run over the clubs calendar year. **Fish can be weighed in whole.**

The nominated species include the following;

The Yearly Board consists of the 12 Fish of the Month as well as marlin, other eligible, trout & other freshwater.

Eligible fish for the Yearly Board can be weighed in, in either the BRE or the Deep Sea sections. The fish can be caught and weighed anywhere in NSW or ACT on certified scales with the receipt then forwarded on to the weigh master.

A time limit of 30 days, from the date of capture, will apply for all receipts for the yearly board. These receipts may be mailed, emailed or hand delivered. It is the responsibility of the angler to have the receipt in the hands of the Weighmaster or representative within the 30 day period. (Remember you must have an independent person witness the weighing.

For the latest update on what fish have been caught check either board at the pub or the website
